House Appropriations Request FY 2010

Project Name: Construction of the Neuse River Greenway Trail - Wake County,
NC

Recipient: City of Raleigh

Recipient Address: 222 West Hargett St

Recipient City: Raleigh

Recipient State: NC

Recipient Zip: 27601

Amount of Request: \$600,000

Explanation of the request (must include purpose and why it is a valuable use of taxpayer funds):

The Neuse River Trail is a twenty-eight mile greenway segment stretching from Falls Dam to the Wake/Johnston County Line following the Neuse River. This corridor serves as one leg of the regional Triangle greenway system and the state-wide Mountains to Sea Trail. This greenway decreases traffic congestion, improves the fitness level of residents and increases economic development in the areas surrounding the trail.

In order to offer more opportunity for public scrutiny, I have posted information on each project request submitted to the Appropriations Committee at the time the request was made.
